Hi Sushila,

Thanks for checking in. I just circulated the draft brief for your review. We can discuss timelines for edits, etc., during our call today. As to your questions:

- (1) No updates re EIP since the court granted our joint motion to extend the briefing schedule.
- (2) I just circulated the draft for your review. You are correct that we will need to file in 10 days, on Thursday, 5/27.
- (3) I have not invited PADEP to today's call – I figured that we can discuss the federal team's plans for reviewing the brief and sending to mgmt., etc. I will let Tom know that he does not need to join us today.
- (4) I am planning to implement the changes that we discussed to the CD while the team reviews the draft brief – I'm hoping to turn that around to you shortly so we can keep the document moving forward.

I'm looking forward to talking at 2pm.

Thanks,
Devon

Hi Devon. I totally understand if you are swamped and have not yet had time to circulate the brief opposing EIP's Motion. I have a few questions in advance of today's call at 2 pm:

1. Are there any updates regarding EIP?
2. When can we expect to receive the brief in opposition to EIP – (by my count, we have 10 days until the 5/27 Thurs filing date)?
3. PADEP is not listed as being on today's call, but Tom Rowlett is.
4. Decree – I assume we may not see a draft until just before the memorial day holiday, and possibly not until after you return from vacation, Monday June 7, 2021 – I understand – I know you are busy.

Again, I am sure this case and other case have been keeping you busy – I just wanted to get my questions out there in advance of today's call to streamline the discussion.

I hope this makes sense, and I hope everyone had a restful weekend -- Sushila
